«FOR MEN UNDER 35 YEARS OLD» PROGRAM 3 days

The goal of this program for men is to recover physically, affect the improvement of skin quality, launch of the mechanisms of hair growth recovery, prevention of age-related changes, as well as examination of the state of the body for the presence of vitamin and mineral deficiencies, the accumulation of heavy metals that affect the condition of the skin and provoke hair loss.

You will be accompanied by a dermatologist who provides appropriate recommendations through the entire program.

Thanks to the procedures included in the program, the systems responsible for removing exo- and endotoxins, free radicals are strengthened and the level of oxidative stress in the body is reduced. As a result, you will receive toned, radiant, healthy skin and launch the process of restoring hair growth.
